SAFE R. WORLD MSD
PRODUCTS THAT MATTER

Safe R. World MSD Ceramic Coating is safe on your car's exterior and paint protection film that you can apply yourself. Our Ceramic Coating is the foundation of our car line of products. It is a protective surface ceramic coating water repellent. This new generation of exterior car protection is superior to waxing and other types of surface applications. Six (6) months protection in 20 minutes or less. Quick and easy application for today's Do It Yourself "DIY" enthusiast saving you time and money.

Environmental Attributes:

- Self-cleaning**
- Water-based**
- Biodegradable**
- Odorless**
- Colorless**
- VOC Free**
- Non-aerosol bottle**

Features and Benefits:

Can be reapplied every 6 months

Enhances aesthetics of your vehicle

Coating protects the exterior of your car for a longer period of time

Spray, wipe and buff, it's that easy

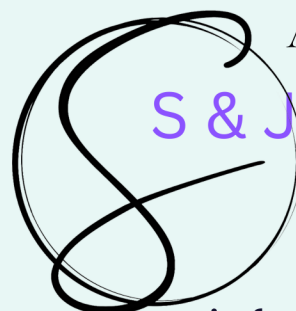

Reduces the use of harsh and abrasive products

Use within 1 year of purchase

Instructions

- 1. Clean and prep surface. Be sure to remove all existing wax from the surface before spraying.**
- 2. Spray on a fine even mist.**
- 3. Use a microfiber towel, start buffing product in using a circular motion working from top to bottom. Buff surface to a shine.**
