SAFE R. WORLD MSD
PRODUCTS THAT MATTER

Safe R. World MSD Glass Cleaner is an advanced science formula. This unique product is powerful yet gentle. Glass cleaning has been made easier with our state-of-the-art solution for streak free windows. The formula not only cleans but coats the glass creating hydrophobic properties (water beading), repelling fluids from staying on the glass. Allows for cleaner windows for longer periods between washing. It removes dirt, debris, grime, haze and films and is safe for both the interior and exterior glass. Will not harm navigation screens, tablets, laptops and cell phones.

Environmental Attributes:

- Self-cleaning**
- Water-based**
- Biodegradable**
- Odorless**
- VOC Free**
- Non-aerosol bottle**

Features and Benefits:

Provides prolonged glass clarity for exterior and interior windows

Self-cleaning effect as rain and water roll off exterior glass

May be used on exterior windows with tinted glass

Provides UV protection

Clarity for night visibility

Improved efficiency and visibility during heavy rain

Instructions

1. Spray product onto glass surface, window or mirror.
2. Use microfiber towel to wipe and clean surface.
3. Repeat steps 1 & 2 until surface is clean and shiny.
