SAFE R. WORLD MSD PRODUCTS THAT MATTER

Safe R. World MSD Surface Enhancer is safe to use on most interior and exterior surfaces. The monetary value of our product is its versatile application to use on most porous and nonporous substrates.

Safe R. World MSD Surface Enhancer creates a new surface, protects the substrate, restores and enhances the appearance, and has an antimicrobial component that kills all airborne viruses up to 60 days. The Surface Enhancer is our premier product in our Preventative Hygiene Plus+ ® product line.

The Surface Enhancer product is used in vehicles, homes, offices, vacation rentals, while traveling, and is a part of our Blends Product Line and Select Choice Package Program.

Environmental Attributes:

- Water-based**
- Biodegradable**
- Colorless**
- Odorless**
- VOC Free**

- Non-aerosol bottle**
- Eliminates the use of harmful chemicals**

Features and Benefits:

Safe to use on all interior and exterior porous and non-porous surfaces including leather, pleather, vinyl, cloth, formica, granite, marble, wood, stainless steel, porcelain, ceramic tiles, plastic, glass and mirrors, except for wool, linen, and silk.

Easy Application

Can be applied over previous coatings, after proper surface preparations

Easy maintenance, cleans with water and wet microfiber cloth

Extends the life expectancy of your interior and exterior substrates

Scientifically proven, state of the art asset protection

Instructions

1. Clean surface thoroughly.
2. Shake the bottle.
3. Start at the top left with arm straight, point the bottle at a 45 degree angle. Spray the surface left to right overlapping the spray area to ensure complete coverage.
4. Repeat step 3.
5. Starting from the edge of the surface and working your way into the center polish the surface using a circular pattern with a clean cloth or microfiber towel.
6. Leave on the surface for 15 minutes until completely dry.

<u>Size</u>	<u>Coverage</u>
0.5 ml	40 sq. ft.
2.0 oz.	140 sq. ft.
3.5 oz.	245 sq. ft.
5.0 oz.	350 sq. ft.
10.0 oz.	750 sq. ft.
