SAFE R. WORLD MSD
PRODUCTS THAT MATTER

Safe R. World MSD Wheel Cleaner is a highly developed formula that is designed to be safe yet powerful enough to remove debris, particles, grease, and oils on wheels. Breaks down and removes iron and metallic minerals on factory painted wheels and brakes. Simple to use by just spraying it on, waiting for 2 minutes, brushing the surface or wiping with a microfiber towel and rinsing the surface off.

May be safely used on clear coated and powder coated factory painted wheels and brakes. This product cannot be applied to vehicles with carbon ceramic brakes. It is your responsibility to know if your vehicle does have carbon ceramic brakes.

Environmental Attributes:

Self-cleaning
Water-based
Biodegradable
Odorless
VOC Free
Non-aerosol bottle

Features and Benefits:

Self-cleaning effect

Decomposes brake dust

Restores and enhances the aesthetics
